

Gunnar Billhage

Tax Advisor

Tax Advisor

Gunnar Billhage started his career within the field of taxation in June of 2005 and as of April 2021 works as a tax advisor at Global Tax Sweden.

Experience

Gunnar's work experience is both from the private sector and from the government sector. Gunnar has worked as a tax consultant at Grant Thornton's tax department for nine years. Gunnar also has experience from the government sector both from the administrative court in Stockholm and from the Swedish Tax Agency.

Fields of expertise

Gunnar's primary focus is international tax matters for entrepreneurs and their closely held companies. Gunnar also has many years of experience from tax litigation. Gunnar has held numerous seminars and courses within the tax field. Gunnar's experience from both the Swedish Tax Agency and the administrative tax courts means that he has a unique insight into the tax litigation process. Gunnar also has experience from property taxation.

Languages

Swedish and English.
